

Victoria L. Burse

You may have been a part of one of her Sister Circle's, at the Georgia Institute of Technology Black Leadership Conference and the Georgia Institute of Technology Women's Leadership Conference. Or maybe you have shared in one of her leadership training sessions for AT&T and Lucent Technologies, as well as Met Life Auto and Home Insurance Co. She has consulted on numerous projects with organizations such as the U.S Department of Health and Human Services: Office of Community Service, Washington, DC and the Interdenominational Theological Center, Atlanta, GA. and was **recently honored for her leadership and entrepreneurial achievements in the 2011 publication of Who's Who in Black Atlanta.**

In January of 2000, Victoria founded Myriad Business Solutions, Inc., which provided Personal and Professional Development and Leadership training to Corporate, Government, Educational, and numerous other nonprofit, civic and youth organizations.

Today, as founder of Queens of the Kingdom—a Women's Outreach Ministry focusing on the Spiritual, Personal, and Professional development of women—she continues to actively write, teach, and facilitate workshops with every God given opportunity.

A prolific **Author** and **Speaker**, Victoria shares with Transparency and Passion the principles of Leadership, Personal Development and Change. Near and dear to her heart are these ingredients she believes to be the keys to a prosperous life in every area, and the God given recipe for Growth and Transformation.

When she is not writing or teaching, you will find Victoria busy with her husband of 20 years, Forest, serving at their local place of worship, and just as busy as **co-owners of FrontPage Photography, Inc.** (www.forestburse.com) a professional photography company which serves the states of Georgia and Mississippi by photographing Weddings, Special Events, Family Portraits and Schools.

Forest and Victoria, are long time residents of Riverdale, Georgia.
